

# What is Parent's Night Out?

Parent's Night Out is a baby sitting service that Little Peoples Landing offers to all parents even if they do not have children enrolled with us. Parents can enjoy a night out for some adult time. They will feel secure knowing that their children are well taken care of and having fun with professional child care experts.

The PNO is theme based and similar to a child's birthday party with food, game and craft activities. The theme is different each month for a variety of fun!
